In respect of:

Design and manufacture of equipment management systems for distribution of medical gases, distribution of low voltage electrical power, signal transmission and carrying medical equipment.

Conception et fabrication de systèmes de distribution pour la distribution de gaz médicaux, la distribution d'énergie basse tension, la transmission de signaux et le portage d'équipements médicaux.

on the basis of our examination of the quality assurance system under the requirements of Council Directive 93/42/EEC, Annex II excluding section 4. The quality assurance system meets the requirements of the directive. For the placing on the market of class III products an Annex II section 4 certificate is required.

For and on behalf of BSI, a Notified Body for the above Directive (Notified Body Number 2797):

Gary E Slack, Senior Vice President Medical Devices
